FROM THE COMMANDER

Dear Sir Knights,

I hope this email finds you well. I would like to take this opportunity to thank each and every one of you for your dedication and hard work throughout 2024. Your commitment to the Commandery has been inspiring, and I truly appreciate all that you do.

There are two important matters that I need to address with all officers and the Drill Team.

Uniform Appearance and Compliance

First and foremost, it is imperative that our uniforms are worn with pride and in strict accordance with our regulations. Each Sir Knight and officer must take responsibility for correcting uniform discrepancies on the spot when they occur. It has come to my attention that there have been several social media posts showing Sir Knights wearing the uniform improperly. My brothers, Los Angeles Commandery No. 9 has a proud legacy of being one of the largest and best Commanderies in California. To uphold this legacy, we cannot afford to make such simple but serious mistakes, especially when posted publicly on social media.

Please remember that when you post online, you are representing not only yourself but our entire Commandery. We need to ensure that our badges, uniforms, and overall appearance are always in line with our regulations. **If everything is correct, by all means, share and celebrate our work. However, one poorly presented image can harm our reputation.** I ask all officers and past commanders to pay close attention to new Sir Knights and make on-the-spot corrections as needed.

Officer Preparedness

The second issue I would like to address pertains to the preparedness of our officers, and aspiring officers. At our last meeting, it was clear that many officers were not ready for qualification. This is not acceptable. If you need the tactics please email me or the recorder. Additionally, you should all have a copy of the ritual book, which contains the full verbiage for your roles.

While no one expects perfection, we must hold ourselves to a higher standard than what was displayed at the last meeting. Being a Knight Templar in Los Angeles Commandery No. 9 is a privilege and an honor. Let us live up to the legacy of those who came before us and set a strong example for those who will follow.

Upcoming Orders of the Temple

In October, we will be performing all of the Orders on October 12, 2024, at San Fernando Lodge, and on October 22 The Order of The Temple at the CRRF. I would like to thank the cast members who will be participating and take this moment to reiterate the importance of being prepared. Your dedication is appreciated, and I trust that you will perform your duties with the same excellence that our Commandery is known for.

October Conclave

Please note that there will be no Conclave in October, as we will be in Laughlin, NV, for the CRRF. I look forward to seeing many of you there, and I appreciate your continued commitment to our Commandery's success.

I appreciate your attention to these matters, and I am confident that together, we will continue to represent our Commandery with the utmost pride and professionalism.

Fraternally,
EC SK Danny Foxx
Eminent Commander
